

invite you to attend online the International Conference

RIGA 2021

Riemannian Geometry and Applications

January 15-17, 2021

<https://fcfdp.utcb.ro/riga-2021/>

The conference is the 5-th edition of the conferences RIGA organized in 2007, 2008, 2011, 2014 by the University of Bucharest, the Transilvania University of Brasov, the Romanian Academy, the Technical University of Civil Engineering Bucharest.

Topics:

- Geometry of Riemannian and Pseudo-Riemannian Manifolds;
- Submanifold Theory;
- Structures on Manifolds;
- Complex Geometry and Contact Geometry;
- Finsler, Lagrange and Hamilton Geometries;
- Mathematical Modelling and Applications.

Locations:

The conference will be held full online, by using the platforms Microsoft Teams or Zoom or Google Meet, depending on the number of participants. We would like to organize this conference online from Friday, January 15, at noon (12:00 Romanian time) until Sunday, January 17, in the evening. We intend to plan the conference on only one plenary section (without parallel sections), in order to allow all participants to follow all lectures. Details about online platform and publication of the Proceedings will be given in the second announcement, beginning December 2020.

Organizing Committee:

Adela Mihai (Technical University of Civil Engineering Bucharest)
Ion Mihai (University of Bucharest)
Adrian Burlacu (Technical University of Civil Engineering Bucharest)

Scientific Committee:

David E. Blair (Michigan State University)
Radu Miron (Romanian Academy)
Carmen Racanel (Technical University of Civil Engineering Bucharest, Romania)
Ionut Racanel (Technical University of Civil Engineering Bucharest, Romania)

Confirmed Invited Speakers:

Alfonso Carriazo (University of Seville, Spain)
Bang-Yen Chen (Michigan State University, U.S.A.)
Veturia Chiroiu (Institute of Solid Mechanics of the Romanian Academy, Romania)
Barbara Opozda (Jagiellonian University, Poland)
Konrad Polthier (Freie University Berlin, Germany)
Sorin Sabau (Tokai University, Japan)
Leopold Verstraelen (Katholieke Universiteit Leuven, Belgium)
Luc Vrancken (University of Valenciennes, France)

Registration:

The registration is free.

Those who are interested in attending the conference and/or presenting a communication/as a listener and want to receive further information are kindly invited to submit the following **Registration Form** by e-mail, preferably until December 15, 2020, to Adela Mihai, adela.mihai@utcb.ro

Registration Form:

-Last Name:
-First Name:
-University, Country:
-E-mail Address:
Regarding your participation, please specify:
-Title of the Communication:
or
-Listener

Looking forward to welcome you at the online International Conference RIGA 2021.
